Notes from Our Chairman

Priyadi

The APBI-Coaltrans Golf Tournament will be held again this year and entered its sixth edition. During the event, the gathering on the green field has offered special value to APBI-ICMA members and stakeholders, especially golfers. As a network toward the Coaltrans event, this event not only brings together members, but it also provides other benefits.

Bali, Golf and APBI-ICMA have become inseparable. The golfers are definitely looking forward to taking part in this annual event. Of course we need your support, the sponsors, so that this event can be held well, fantastic & memorable.

The value offered by this event is not just an ordinary event, so you can promote your company, build relationships with the members of APBI-ICMA while also being a support for APBI -ICMA.

We look forward to attendance and sponsor support from your company so that this event can be held successfully. Once again, thank you for your support and for your commitment to making a positive impact in our community.
